## Educational Scholarship Application

**Purpose:** The Indiana Builders Association Educational Scholarship Foundation honors IBA's long-time CEO, the late Bill Carson, by awarding scholarships to deserving students who have chosen building as their future vocation to continue in that field and to excel in their studies.

**Awards:** The Foundation will award scholarships to deserving students who have chosen the building industry as their vocation. Scholarships will be awarded to individuals desiring to continue their education to enhance their career in the building industry, whether it be a structured degree, certification, designation apprenticeship, or an approved continuing education class.

The awards are no less than \$500 per school year and are non-renewable. The award is subject to change at the discretion of the Indiana Builders Association. Possible reasons for changing the award amount would be an increase in scholarship fund endowment, increasing college tuition costs, and the scholarship review committee's decision to increase the number and amount of awards. The award will be deposited with the controller of the appropriate school in the student's name and is to be used for tuition and fees redemption only.

**Eligibility:** The student must be at least a senior in high school and be in good standing with the school. The student must also be a legal resident of the state of Indiana, live in the jurisdiction of the Indiana Builders Association and be enrolled in a construction technology program or a related construction field of study. Past recipients are eligible.

**Criteria:** Each student will be judged according to academic achievement, prior work experience in the area of construction technology, recommendations by faculty and employers and specific career objectives.

**Selection:** Applications must be submitted to the Indiana Builders Association by September 29, 2017. The announcement of the winning candidate(s) will occur by December 31, 2017.
