We educate and advocate for the construction industry to positively impact legislative, regulatory, and legal issues that affect housing affordability.
Dear Member,

Since 1952, the Indiana Builders Association has been committed to maintaining and developing workable and affordable regulations and laws that enable the citizens of Indiana to own a home. We are a statewide trade organization representing Indiana’s home building, remodeling and light commercial construction industry with 23 local affiliates across Indiana.

If you are looking to target home builders, remodelers and small business owners and increase your visibility among leaders in the housing community, then I encourage you to discover the opportunities we offer.

The following 2020 Sponsorship Guide was developed to help you plan your involvement and budget for the year. The Indiana Builders Association offers you the opportunity to take part in year-long sponsorships or individual event sponsorships. These opportunities exemplify your commitment to the housing industry and provide the Indiana Builders Association with an additional source of support for advocacy, networking and education.

Please look over the enclosed information. We hope you will consider partnering with us as we continue to build a better Indiana!

Sincerely,

Rick Wajda
